

# BEYOND PAINTING CLASSROOMS

## **Our Vision :**

Employees become active citizens in building a just, equitable and unified South Africa.

## **Our Mission:**

To encourage a developmental employee volunteering practice that contributes to shared value creation for both business and society.

## **Our Values :**

Respect, accountability, innovation, inclusivity, collaboration

## ***We achieve our mission by :***

- creating opportunities for dialogue and engagement within the employee volunteering community;
- enhancing access to information on good practices in employee volunteering;
- fostering mutual understanding about the different needs and contexts among employee volunteering stakeholders;
- sharing relevant and practical tools and resources to strengthen employee volunteering practice;
- encouraging an understanding of the social and business value of employee volunteering; and
- advocating for the design and implementation of mutually beneficial employee volunteering.
